

23. Provision of an archive of the LULUCF inventory and projections (WP 6)

D. C. Mobbs

Centre for Ecology & Hydrology, Bush Estate, Penicuik

CEH maintains a publicly accessible electronic archive of data and calculations relating to the LULUCF sector of the UK Greenhouse Gas Inventory on the website <http://www.edinburgh.ceh.ac.uk/ukcarbon/>. This archive has been updated with the latest inventory estimates for 1990-2005.

CEH has an inventory manual for internal use, which is updated with any new data or methods (see chapter 5, WP 2.1).
